Please return this form with payment to the fees window before taking the instrument off College grounds. Instruments must be returned at the end of Term 3* to the College for servicing and will be re-distributed in Term 4 so students will have their instruments over the summer break.

** Year 12 students are exceptions to this and are instead required to return the instrument by the end of the fourth week of Term 4 unless utilising the instrument for assessment purposes. At which time, the instrument will be submitted to staff at their final music performance.*
